

NOTICE TO CUSTOMERS - REVISED BAF AND ETS PROTOCOL

Date: 28th October 2024

Please find the below details of BAF and ETS surcharges for **NOVEMBER 2024**

BAF SURCHARGE ANNOUNCEMENT

Last month average has shown a higher bunker price due to weakened NOK against USD. BAF for November will be adjusted to **74.75%**, up from 72,50% last month.

ETS SURCHARGE ANNOUNCEMENTS

ETS market prices have presented a lower average during the last month. ETS surcharge for November will be adjusted to **8,2%**, down from 8.7% last month.

Please note that Sea-Cargo is charging ETS on Net-Seafreight only.

ETS quota prices can be found at the following link:
