

WE ARE HIRING

BANKSMEN & SLINGERS - ABERDEEN

Sea-Cargo Aberdeen Ltd is a well-established port service provider and liner operator based in the heart of the Port of Aberdeen. We provide a range of stevedoring, warehousing, customs, shipping and logistics services from a modern, integrated facility. Sea-Cargo plays a key component in the port handling over 250,000 tons of cargo per year.

We are currently seeking Banksmen & Slingers to join our experienced quayside operations team. This is an ad-hoc role, ideal for individuals seeking flexible, on-demand work with opportunities for overtime and enhanced pay rates for out-of-hours shifts.

Key responsibilities:

- Perform slinging and banksman duties on the quayside and within cargo holds.
- Ensure loads are correctly and safely slung prior to lifting
- Follow vessel foreman instructions at all times
- Promote and maintain safe working practices
- Inspect lifting equipment visually during operations and report any damage immediately.

Required qualifications & skills:

- Valid Slinger/ Banksman certification
- Prior experience in port operations and working alongside cranes
- Strong understanding of lifting and slinging operations
- Excellent communication skills and high reliability
- RTIB Forklift certification (desireable but not essential)
- A medical examination is required as a part of the recruitment process.

We offer competitive hourly rates, with enhanced pay for weekend and out-of-hours shifts, including time-and-a-half and double-time. Our flexible scheduling allows for day, night, weekend, and overtime shifts.

Employees benefit from a comprehensive package that includes company pension, life insurance, and private medical insurance.

Successful applicants will benefit from a well appointed package commensurate with experience. Send your CV to elise.simpson@sea-cargo.com.
