

NOTICE TO CUSTOMERS - REVISED BAF

Date: 24th March 2026

Global fuel prices continue to increase due to the recent geopolitical events and continuing tensions in the Middle East. Average market price last week presents an increase of 4,5% points.

Consequently, the BAF for week 14 will be adjusted upwards to **106%**, up from previous week 101,5%.

We will continue to closely monitor and assess developments in the fuel markets. Every effort will be made to mitigate the impact on our customers and to reduce bunker consumption wherever feasible. Updates will be sent each Tuesday for the upcoming week until further notice.

Thank you for your understanding and continued support.
