

NOTICE TO CUSTOMERS - REVISED ETS PROTOCOL

Date: 23rd March 2026

Please find the details below of ETS surcharges for **APRIL 2026**

ETS SURCHARGE ANNOUNCEMENTS

In the past month, average prices in the ETS market have experienced a further decline in line with the prior month's trend. Consequently, the ETS surcharge for April will be adjusted to **17.20%**, down from 20.3% in the preceding month.

ETS quota prices can be found at the following link:
