

NOTICE TO CUSTOMERS - REVISED BAF

Date: 30th June 2026

Bunker prices continued to decline over the past week, although at a slower pace than in previous weeks. A stronger USD has offset this decrease, leaving prices broadly unchanged from last week.

Accordingly, the BAF for week 28 will remain at **82%**, unchanged from the previous week.

We will continue to closely monitor and assess developments in the fuel markets. Every effort will be made to mitigate the impact on our customers and to reduce bunker consumption wherever feasible. Updates will be sent each Tuesday for the upcoming week until further notice.

Thank you for your understanding and continued support.
