

NOTICE TO CUSTOMERS - REVISED BAF

Date: 21st July 2026

Last week, crude oil prices rose significantly due to disruptions in the Middle East.

Accordingly, the BAF for week 31 will increase to **97%**, up 7,5 percentage points from the previous week.

We will continue to closely monitor and assess developments in the fuel markets. Every effort will be made to mitigate the impact on our customers and to reduce bunker consumption wherever feasible. Updates will be sent each Tuesday for the upcoming week until further notice.

Thank you for your understanding and continued support.
